

How to get to Amsterdam Airport Area?

Triport 3 Building
6th floor
Westelijke Randweg 17
Schiphol Airport

The offices of Amsterdam Airport Area is at the offices of Schiphol Area Development Company (SADC).

BY CAR

From Amsterdam/Utrecht or Rotterdam/The Hague

Driving on Highway A4 from Amsterdam/Utrecht or Rotterdam/The Hague, take the Schiphol exit. (Triport 3 is already visible from the road. Look for Transavia's big green logo).

From Amsterdam/Utrecht

Take the first exit to the right and circle down the road. At the end of the road, turn left at the traffic light. Turn left into E. van der Beekstraat. The entrance to the parking garage under the Triport buildings is on your left, 50 meters beyond the turn. Please park here. AAA is located on the sixth floor of Triport 3.

From The Hague/Rotterdam

Turn right at the traffic light. Turn left onto E. van der Beekstraat. The entrance to the parking garage under the Triport buildings is on your left, 50 meters beyond the turn. Please park here. AAA is located on the sixth floor of Triport 3.

BY PUBLIC TRANSPORT

Take a train or bus to Schiphol Center. Triport 3 is a 10-minute walk from here. Follow signs to Hilton Hotel along the pedestrian walkway that leaves the Sheraton Hotel and the World Trade Center on your left. Continue straight, cross the road and walk toward Triport. AAA is located in Triport 3 (last building of the Triport office block). AAA is on the sixth floor (at the SADC offices).
